Her birth was shrouded in mystery and tragedy. Her destiny is beyond comprehension. Her pursuers long to see her broken. She fights to soar. In the rough, shadowy hills of Appalachia, a nation carved from the United States following years of government infighting, Caitlyn and her companions are the prey in a terrifying hunt. They must outwit the relentless bounty hunters, skirt an oppressive, ever-watchful society, and find passage over the walls of Appalachia to reveal the dark secrets behind Caitlyn's existence and understand her father's betrayal. In this engrossing, lightning-paced story with a post-apocalyptic edge, best-selling author Sigmund Brouwer weaves a heroic, harrowing journey through the path of a treacherous culture only one or two steps removed from our own. From the Hardcover edition.
